Gentlemen:

When I returned from vacation I learned that after its having taken so long to get the bill for rocking our driveway paid, we have now paid it twice! I checked at the county auditor's office and found that only one of the checks had been cashed. In order to clear the matter up on the auditor's books I am told that the check should be cashed and then you make out a check for the same amount to the Scott County Auditor. It will then be credited to the library account. I don't understand why, but merely returning the uncashed check is not the answer to the problem.

I would appreciate it very much if you would mail the check to me and I'll take it to the auditor's office. I regret the inconvenience all this is causing you, but I'm told there's no simple way of taking care of the confusion.

Sincerely,

Elizabeth B. Hage

I told Joe about this check the day he was here. He said he would tell you when you got back from vacation.

So I just held the check. I will now cash it.

Thank you

Dear Mr. Glunz:

Thank you for your prompt attention to my request of August 21.

Yes, Joe did deliver the message that you'd received two checks. My checking at the auditor's office was to try to find out why, and what to do about it since it had been done. I shall take your check to them today. Thanks again.

Sincerely,

Elizabeth B. Hage
